M'GOORTY BOUT DELAYED.

Eddie McGoorty, the Oshkosh middleweight, who has won many friends in the copper country through his clever exhibitions against Art Alford in two bouts did not meet Hugo Kelly, the Chicago Italian in the 20-round contest at New Orleans on Sunday as scheduled. Kelly became so sick last week that it was found necessary to postpone the contest for one week or more, and McGoorty has gone back to New Orleans where he will continue training for the big fray. It is expected that the bout date will be decided upon this week, will be Oct. 19 or Oct. 17. McGoorty also has a big contest scheduled for Columbus, Ohio, for Oct. 18, but has made arrangements to have it postponed for a few days until the outcome of his bout with Kelly is known.

The winner of the Kelly-McGoorty bout will be matched against Billy Paine, for the middleweight championship of the world, for some time in November.

BIG COST TO RUN STATE.

Auditor General O. B. Fuller furnishes figures to show what it costs to run the state of Michigan, and these figures will be of great interest to every taxpayer and citizen.

The figures show the average daily expenditures for the fiscal year ending June 30, 1909. There was expended by the state for all purposes the sum of \$18,870,380 per day, exclusive of primary school money; \$126,696.29 per week; \$547,946.21 per month, and the aggregate for the year reached the total of \$64,318,738.36.

If to this total the primary school money was added, the sum would be \$22,600 daily and would approximate a million dollars per month.

There will be a special meeting of Division No. 2, A. O. U. H. Tuesday evening at 8:30 o'clock at Ryan's livery, to make arrangements to attend the funeral of Timothy Lynch, Wednesday morning.

LARGER REGISTRATION FEE WILL INCREASE RECEIPTS

On and after November 1 the registration fee for letters and packages will be raised from 5 cents to 10 cents per article or letter. This will make an increase in postal receipts in Calumet of at least \$300 annually.

It is not generally known that the Calumet postoffice handles at least 16,000 registered letters and packages sent from here, while at least that quantity and probably more arrive annually for distribution locally.

The reason for the increase in the registration fee is the postal deficit of \$20,000,000. Among the ways and means devised by the postoffice department at Washington to lower this deficit was that of increasing the fees for registration. As practically all of the copper country second class post-offices are doing a big registration business this section's contribution to the increased revenue will be considerable.

Y. M. C. A. ACTIVITIES.

Gymnasium Classes Started—Association Football Team to be Organized.

All of the gymnasium classes of the Y. M. C. A. opened for the fall or winter term yesterday. One change in the schedule from that of last year is noted. The business men's classes have been changed from Tuesdays, Thursdays and Saturdays to Mondays, Wednesdays and Fridays. This change, it is believed, will be appreciated by the clerks in the stores as well as those connected with banks and other institutions.

The bowling alleys, swimming pool, etc., were closed down last week for the purpose of cleaning. They have been placed in first-class shape, and are ready for use.

Physical Director Sherwood is making arrangements to get together an English association football team, open to any local residents who may care to join. It is quite likely that before the present week has ended the dates for practice will have been announced. Mr. Sherwood stated that he will not make an attempt to organize a team representative of the association until later in the season, preferring to wait developments. It is believed that there is a nucleus in Calumet for at least two strong teams and those familiar with this great English sport are asked to get out and play.

RATES TO BIG GAMES.

No special inducements have been announced by the railroads of this section to the ardent fans who are anxious to attend the world's series games between Detroit and Pittsburgh. The rate between Calumet and Detroit is \$14.10 which is somewhat higher than the rates which have been available to Chicago in previous years. By a new rate which went into effect last week it will be possible for any fans who go to Detroit to witness the games to return by way of Chicago, for the same rate. Rates are now in effect between Detroit and Pittsburgh of \$5 one way. It is not expected that many of the Calumet fans will attend the world's series games notwithstanding the fact they are very anxious to see Detroit win.

KNIGHTS OF COLUMBUS WILL ATTEND CHURCH AT HUBBELL

At Well Attended Meeting Last Evening It Was Decided to Attend Re-dedication Services of St. Cecilia's Church Oct. 17—Will Observe Columbus Day by Card Party.

There was a well-attended meeting of Calumet Council, Knights of Columbus, last evening, for the purpose of making arrangements for the observance of Christopher Columbus day, which occurs on Tuesday of next week, October 12, and also to take up the matter of attending the re-dedication services at St. Cecilia's church of Hubbell to be held on Sunday, October 17.

The local council decided to observe both occasions. Christopher Columbus day is to be marked by a card party to be held on the evening of October 12 in the Gately-Wiggins hall. Only members and candidates for membership with their lady friends will be eligible to admission. Following the card party refreshments will be served, and it is the purpose of the members to pass a pleasant social evening.

The lodge decided to attend the re-dedication services of St. Cecilia's church in a body on Sunday, October 17, and every member who can possibly attend is urged by the officers to be present. A committee was named last evening to look into the matter of transportation. It has not been decided as yet whether the trip will be made by trolley or over one of the railroads.

Right Rev. Bishop Els of Marquette will be present at the dedication, and will have charge of that part of the service. It is probable that Rev. Fr. Zimmermann, pastor of the church, will officiate at the high mass service that will be given. Other Catholic priests in the copper country will likewise attend and the services should be most impressive.

The church of St. Cecilia's has been practically remodelled. It now has a greater seating capacity, and has been considerably strengthened in parts, as well as made more beautiful.

NEW STYLE LICENSE TAGS.

Owners of Autos Must Display Them After January 1.

The department of the secretary of state has decided upon the style of automobile license tag which Michigan owners of cars must display after January 1.

There are three sizes of tags which are made of metal, and have a white background, with the number of the license in black. Also, the numeral 1910 and the state seal are placed upon the tag. The tags are manufactured by a Chicago company and the state will enter into a contract for \$6,000.

Each automobile owner is given two tags upon the payment of the license fee of \$3.

HOUGHTON COUNTY MEDICS.

The regular monthly meeting of the Houghton County Medical Society was held in the Red Jacket council rooms last evening and proved an interesting gathering. The most important feature of the meeting was the report of the delegates who attended the meeting of the State Medical Society at Kalamazoo last month. This report was given by Dr. N. S. McDonald of Hancock, and short talks were made on the work in the scientific section. An interesting number on the program was "A case of tumor of the upper jaw," by Dr. C. H. Rodi. Papers were also read by Dr. P. D. Bourland of Lake Linden, and Dr. A. B. Tucker of Mohawk. At the close of the regular program luncheon was served.

AS LAW EFFECTS DRUGGISTS.

Attorney General Bird has made the following additional rulings on the new liquor law:

Wholesale druggists in states outside of Michigan shall not sell liquor to druggists in Michigan upon orders sent by druggists without paying the license fee. This ruling, however, does not cover sales through agents or salesmen.

Druggists must not sell "malt extract," "hop tonic," or like beverages in local option counties without complying with the provisions of the local option laws.

Peter Matheson, wife and family, formerly of this city, are now located in Vancouver, B. C. Mr. Matheson was formerly in the employ of the Van Orden Coal company.

Emil Kivela, clerk in the justice office of C. Jackson, is confined to his home by illness.

STREET LIGHTS ARE BEING REMOVED IN RED JACKET

The work of dismantling the street illuminations in the village of Red Jacket commenced this morning, and will continue until all of the lights have been removed. The Hosking Electrical company, which had charge of the installation of the street lights, has placed a large force of men on the work, which will be pushed by the men at odd hours and will not interfere with their irregular work. However, the fixtures will all be removed by the arrival of cold weather.

The work will not be started on the theater and town hall until November 1, that being the date specified in the contract for the lights to be removed. It was asserted early in the summer that the business men would make a concerted attempt to retain the lights, or if not all of them, a sufficient number to provide a good street illumination. However, this movement seems to have fallen through.

IMPROVEMENTS ARE COMPLETE.

A number of important alterations are being made at the Barstoll Bros. fruit store on Fifth street, near Elm. A new stone foundation and cement cellar have been placed beneath the building which has also been extended to the rear of the lot, providing a much larger space for the ice cream parlor. The work will probably be completed this week.

LOCAL BREVITIES.

John Burgess, wife and three children, left yesterday afternoon for Wickenburg, Ariz., where they will reside.

Joseph Kemp of Charity lodge, Red Jacket, K. of P., and Thomas Reahill of Laurium lodge, K. of P., left yesterday for Lansing, where they will attend the session of the grand lodge K. of P. this week.

A marriage license application was issued this morning by Justice Jackson to Carl Kuopus and Miss Margaret J. Tervo, both of this city. The ceremony will be performed next Saturday.

The Red Jacket pharmacy, which is to be located in the Central hotel block, will be opened on October 15. The building is being remodeled and when completed will be one of the most up-to-date pharmacies in the district.

J. H. Vincent of Chicago, connected with the New York Central Railroad company, is spending a few days with Fred Ford of the First National bank.

P. H. Finnegan of the M. and M. bank block has returned from a business trip to Chicago.

Capt. Thomas Houtson, Gordon R. Campbell and Peter Ruppe are expected home this week from Arizona, where they have been inspecting C. & A. properties.

Mr. and Mrs. Will Sundburg of Calumet have gone to Chicago after visiting friends in Calumet.

The bowling season will open at the Calumet Y. M. C. A. on Wednesday evening of this week.

Joseph Kemp, representing Charity lodge, and Thomas Reahill representing Laurium lodge, left yesterday for Lansing where they will attend the Michigan Pythian convention.

State Boys' Secretary J. A. Van Dis departed yesterday for Houghton after visiting the Calumet Y. M. C. A. for four days. From Houghton he will go to Marquette, Ishpeming, Munising and the Soo.

It is not expected that any of the local sportsmen will go to Munising to attend the U. P. Sportsmen's convention this week, but considerable interest is manifested in the organization of the upper peninsula convention.

James E. Fisher, John Mosher, and J. Bruce Paton of Calumet, have returned from an automobile trip to Skanee where they spent a few days hunting partridge.

James T. Fisher, Chas. McIntyre, and Ten Hennes of Laurium are expected back today from Copper Harbor, where they have spent a few days in quest of partridge.

Henry Blum of Calumet has returned from a short business trip to Milwaukee and other cities.

John D. Cuddihy of Calumet has returned from a short business trip to the Cobalt district of Canada.

ATTENTION, ELKS!

There will be a regular meeting of Calumet lodge, B. P. O. E., No. 404, Wednesday evening, Oct. 6. Initiation and balloting. Business of great importance.

"BUCK'S" RADIANT BASE-BURNER

Its Use in Your Home Stands for Economy and Better Heater Service

Without exception the finest Base Burner made—perfect in design. Construction and finish containing the largest amount of radiating surface ever put into a Base Burner—flues so constructed that the floor of your home is always warm and the heat through your rooms evenly distributed.

A poorly constructed Base Burner is dear at any price, because poorly made Base Burners are leaky Base Burners and cause an awful waste of fuel. Buck's are properly made, tightly made, do not leak and are fuel savers. Make "Buck's" your choice.
